NORCO- Last night, Tuesday, Sept. 29 at a Special Board Meeting in closed session, the Board took no action.

“The Board takes seriously our responsibility to select the most qualified candidate to lead this school district. We thank the community for participating in the stakeholder input process as we will continue to align candidate qualifications with the results of the survey,” said Board President Mary Ybarra. “We realize that we are currently navigating through a pandemic and need this position to be filled quickly.”

The Board is reviewing and analyzing the results of the community input phase and will continue the process for filling the Superintendent position.
